**EDL-Gen Receives the Green Leadership Award in Asia
Responsible Enterprise Award (AREA) 2018**

On 1 June 2018, EDL-Gen receives Asia Responsible Enterprise Award 2018 on the category of “Green Leadership” presented by Enterprise Asia, held in Manila, Philippines. This award presents the contribution of the companies toward the sustainability and conservation of the natural resources as well as the responsibility on society. On this occasion, EDL-Gen’s teams together with 250 participants from 15 Asia countries had also participated in the International CSR Summit (ICS) which held the same date. ICS brings together the world’s top CSR thinkers, doers, speakers and leaders; featuring the most stirring conversation in CSR today.
